

THE WHITE HOUSE

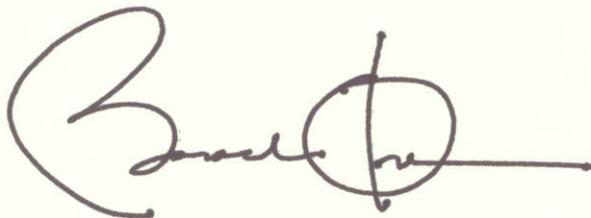

WASHINGTON

July 3, 2012

I send greetings to all those attending the Federal Law Enforcement Training Accreditation (FLETA) Board Meeting.

Every day, Federal law enforcement officers work tirelessly to protect our people, enforce our laws, and keep our Nation safe. They report for duty knowing full well the dangers they face and the sacrifices they may be called upon to make. Their dedication to serving their fellow Americans embodies our country's highest ideals, and by working to ensure these selfless individuals receive the most effective and efficient training, FLETA helps keep our Federal law enforcement officers the best of the best.

As you gather during this milestone year, I wish you all the best for a productive meeting.
