

THE WHITE HOUSE
WASHINGTON

August 11, 2022

I offer my congratulations to the Federal Law Enforcement Training Accreditation (FLETA) Board as you celebrate your 20th anniversary.

Every day, federal law enforcement personnel serve and protect communities across the country with immeasurable selflessness, courage, and honor. Our Nation's law enforcement officers are the heart, soul, and steel spine of America. We must ensure that those who risk their lives in the line of duty have the resources, support, and training they need to do their jobs effectively and responsibly.

For two decades, FLETA has promoted professionalism, offered trainings and educational programs, and provided support to the federal law enforcement community so that officers can serve our Nation with the highest distinction. My Administration recognizes the importance of this work, which is why I signed an Executive Order earlier this year that increases accountability and transparency in policing and prepares law enforcement to build public trust and enhance public safety. Together, we will continue supporting our federal law enforcement personnel and their service to the American people.

Congratulations on this anniversary, and may God continue to protect those in uniform who protect all of us.
