Honoring the Federal Law Enforcement Training Accreditation Board

HON. EARL L. "BUDDY" CARTER
OF GEORGIA

IN THE HOUSE OF REPRESENTATIVES

Madam Speaker, I rise today to pay tribute to the Federal Law Enforcement Training Accreditation Board, FLETA, as they celebrate their 20th anniversary on July 1, 2022.

The FLETA board of directors, located in my district, is comprised of 28 senior officials from varying Federal law enforcement agencies, academia, and professional organizations.

Since the FLETA Board's inception, more than 75 training organizations, spanning from 47 agencies and 10 departments across the executive and judicial branches of the Government, have submitted training programs for voluntary review and have sought accreditation through FLETA, in which they have completed 389 of those assessments.

The FLETA Office of Accreditation is one of the smallest entities in the Federal Government, with only seven Government employees. Yet, they have an extensive impact on Federal training and operations.

FLETA assists law enforcement agencies in virtually every department of the Federal Government, improving operations through the implementation of more effective and efficient training tactics.

The mission of FLETA is more important now than ever before. This agency's efforts are demonstrative of good government in action, practicing accountability through self-regulation, which exhibits the transparency that Americans expect of their government.

On behalf of the citizens of Georgia and this distinguished body, I once again congratulate FLETA on their 20th anniversary and wish them much continued success in the future.
