Dear Mr. Mitchell:

On behalf of all of us in the FBI, it is a pleasure to extend my congratulations to you and your colleagues on the 10th Anniversary of the establishment of the Federal Law Enforcement Training Accreditation (FLETA) Board.

You have every reason to look back with pride on the accomplishments of the Board's first ten years. Over the past decade, the Board has worked tirelessly to advance its core mission of improving the quality of federal law enforcement through adherence to a proven set of standards for federal law enforcement training. The impact of these efforts on the federal law enforcement community has been tremendously beneficial with over 60 federal training programs and 15 federal training academies, including our own FBI Academy, achieving FLETA accreditation. As you and your associates look ahead to the Board's second decade of work, please know that you have the support of the FBI and that we look forward to our continued relationship with FLETA.

Once again, congratulations to everyone at FLETA on reaching your 10th Anniversary. The men and women of the FBI join me in sending you our best wishes for continued success.

Sincerely yours,

Robert S. Mueller, III
Director
